Michael Suntribo

EVANGELIST · GO DIRECTOR, SUMMIT 419 · SUNTRIBO MINISTRIES

About

Raised in a multigenerational Latter-day Saint family in Utah, Michael served an LDS mission in 2001, later left Mormonism, and became an atheist who openly challenged Christianity, until reading the Gospel of Matthew led him to faith in Jesus. Today he serves as Go Director at Summit 419, a church plant in Utah, building an outward-facing culture of evangelism. He equips ordinary believers to share the gospel with gentleness, honesty, and patience, never avoiding the call to repentance and faith.
